

# CORPORATE MEMBERSHIPS

**EPAN**

**European Pride in Aviation Network**

European Pride in Aviation Network (EPAN) offers a range of sponsorship and partnership opportunities for companies and organisations of all sizes and types from all areas of aviation. Corporate memberships open your organisation to benefits and visibility within the LGBTQIA+ aviation industry.

Becoming a corporate member enables your company to join our ranks of organisations who support the inclusion and advocacy of the LGBTQIA+ aviation community. Employees, customers, allies and fellow organisations will be encouraged to see your support of the community.

As a non-profit organisation, we rely on the generous support and donations of individuals and industry companies. There are infinite ways that you can support our organisation and here are a few ideas.
